Hand Cylinder Lawnmower 380

Commercial Reference: 4023-20
Article number: 901 05 79-01
EAN: 4078500402309

For precision mowing as with shears. Extremely smooth-running, quiet and effort saving. Contact-free cutting technique (cutting
cylinder and bottom blade do not touch each other), the lawnmower is therefore extremely quiet and very easy to push. Hardened, non-stick coated cutting cylinder made of quality steel and ground bottom blade for a clean and precise cut. Easy, infinitely-variable cutting-height adjustment using handy controller. Cutting-height scale on both sides is easy to read.
Large wheels with special profile for guiding the lawnmower with more grip. Handle comes apart for compact storage and transportation. Recommended accessories: Grass Catcher Art. No. 4029. 4-colour display carton.
